

The example shown here in pics is for 3-months but clicking any of the renewal PayPal buttons in Studio ( except the 1-yr paid-monthly ) brings up PayPal like this

The screenshot shows the PayPal login interface. At the top left is the PayPal logo, and at the top right is a shopping cart icon with the text "£30.00 GBP". The main heading is "Log in to PayPal". Below this, a sub-heading reads: "With a PayPal account, you're eligible for Return Shipping on Us, Buyer Protection and more." There are two input fields: "Email address or mobile number" and "Password". Below the password field is a link that says "Forgotten your password?". A prominent blue button labeled "Log In" is centered below the input fields. Below the "Log In" button is a horizontal line with the word "or" in the center. Underneath this line is a grey button labeled "Pay by Debit or Credit Card". At the bottom left, there is a link that says "Cancel and return to Painting with Skill" and a small flag icon for the United Kingdom with a dropdown arrow.

The lower-button offers the option to pay by Credit card without needing to log in to Paypal

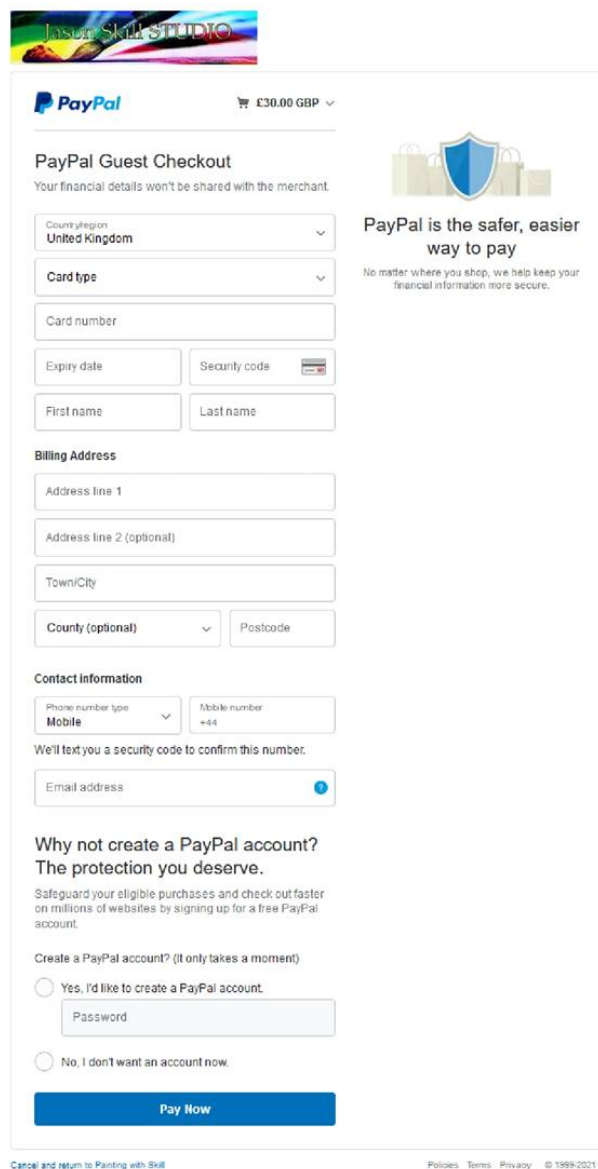

This screenshot is identical to the one above, showing the PayPal login page. However, a red callout box with white text is overlaid on the bottom right of the page. The text in the callout box reads: "USE THIS OPTION IF NOT A PAYPAL MEMBER". The callout box is positioned over the "Pay by Debit or Credit Card" button and the bottom right corner of the page.

Clicking that lower grey button actually brings up a page where you still have the option to log in if you want, but here we're opting to use 'checkout as guest', which i've labelled with large text.

The screenshot shows the PayPal login interface. At the top left is the 'Jason Skill STUDIO' logo. The PayPal logo and a cart icon showing '£30.00 GBP' are at the top right. The main heading is 'Log in to PayPal'. Below it are input fields for 'Email address' and 'Password', followed by a blue 'Log In' button. A link for 'Having trouble logging in?' is below the button. An 'or' separator is followed by a grey 'Check Out as a Guest' button. A red banner with white text 'USE THIS OPTION IF NOT A PAYPAL MEMBER' is overlaid on the bottom of the 'Check Out as a Guest' button. To the right, there is a graphic of a smartphone with the PayPal logo and the text 'Safer. Faster. Easier.' followed by a welcome message: 'Welcome to the new PayPal checkout. It's everything checkout should be -- faster, safer and more convenient.'

Selecting 'Check out as guest' button then brings up the actual payment form you fill in, to pay by card.

The screenshot shows the 'PayPal Guest Checkout' form. At the top left is the 'Jason Skill STUDIO' logo. The PayPal logo and a cart icon showing '£30.00 GBP' are at the top right. The heading is 'PayPal Guest Checkout' with a sub-note: 'Your financial details won't be shared with the merchant.' The form includes several sections: 'Country/region' (dropdown menu set to 'United Kingdom'), 'Card type' (dropdown menu), 'Card number' (text input), 'Expiry date' and 'Security code' (two text inputs), 'First name' and 'Last name' (two text inputs), 'Billing Address' (Address line 1, Address line 2 (optional), Town/City, County (optional) dropdown, and Postcode text inputs), 'Contact information' (Phone number type dropdown set to 'Mobile', Mobile number text input with '+44' prefix, and a note 'We'll text you a security code to confirm this number.'), and 'Email address' (text input with a help icon). Below the form is a section titled 'Why not create a PayPal account? The protection you deserve.' with a sub-note: 'Safeguard your eligible purchases and check out faster on millions of websites by signing up for a free PayPal account.' It asks 'Create a PayPal account? (It only takes a moment)' and has two radio button options: 'Yes, I'd like to create a PayPal account.' (with a 'Password' text input) and 'No, I don't want an account now.' At the bottom is a blue 'Pay Now' button. To the right, there is a graphic of shopping bags and a shield, with the text 'PayPal is the safer, easier way to pay' and a sub-note: 'No matter where you shop, we help keep your financial information more secure.'

You do NOT have to create a PayPal account to complete guest checkout paying by Credit Card.
